Providing Signature Smile Makeovers

Standard of Care

All of our dentists, hygienists and nurses adhere to the strict guidelines governing the profession under strict guidance from the General Dental Council (GDC)

“Standards for Dental Professions”

Dentists — develop a treatment plan to suit your treatment needs.

Hygienists — prevention and treatment of gum disease. Advice on all aspects of oral health.

Dental Nurses—help you with any queries you may have regarding your treatment and during your visit.

Receptionist / Practice Manager—Managing the work of the clinical or non-clinical staff, operational aspects within the practice, appointments, payments and all enquiries.
